Quick Facts:

- Tickets will not run out.
- All orders must be placed in advance to guarantee the Ed Expo Ticket Rates.
 - Reserved ticket orders – Check Payments—must be placed 4 days prior to your field trip day.
 - Advanced payment ticket order – Credit Card Payments – must be placed 2 days prior to your field trip.
- Day of changes are not allowed nor guaranteed.

ADVANCED PAYMENT – Recommended

The recommended and smoothest way for school groups to enter the fair by paying in advance on etix online with a credit card. These school groups will be able to have their tickets in hand and be able to immediately enter fair gates at the time of the fair. Additionally, you can wait to make your final order 2 days in advance versus 4 days.

This is especially advantageous for school groups who have competitions or activities in the Blue Ribbon and Best of Show pavilions, as paying in advance will allow for paid groups with tickets in hand to enter the Fair through Gate 2 and park nearby.

CHECK PAYMENT - Reservation

We will continue to offer the **RESERVATION** option for schools who are not able to pay with a credit card. The reservation option allows groups to bring a check *for the total amount reserved* and receive their tickets **at the Ed Expo Ticket Booth**. Checks can be made out to SFVA, State Fair of Virginia or Virginia Farm Bureau Holding Corp.

Checks should be in an envelope with the printed invoice.

While we will be working to make this process as smooth as possible, there may be a wait. An additional email will be sent out prior to fair with further instructions

RIDE WRISTBANDS – New this Year*

Students will now be able to purchase ride wristbands inside the park for \$20.00 to ride until 4 PM on their field trip day (\$3 cheaper than last year!). **We recommend letting older students purchase their own ride wristbands at the fair to save time.** No ride wristbands will be sold at the main ticket booth.

If you have changes to your ticket order prior to the start of fair, please contact Sarah Jane at edu@statefairva.org or 804-994-2743 with your changes and your ticket order number. Please do not make a new ticket order without touching base so your original order can be cancelled.
