WHY PRACTICE TESTS?

Data from the previous 3 years has indicated that our most successful SLC and ICDC competitors took MULTIPLE practice tests AND take advantage of the answer keys provided with each test.

PRACTICE TEST BEST PRACTICES

Take as many tests as you can!

Take tests from your career cluster but use others as well - they all have great practice questions!

Re-take tests as many times as you wish until your score is where you want it to be!

Study the answer key after you complete each test!

Create a study sheet for yourself of questions you missed, why you missed it, and what the correct answer should have been!
